

GRADING AT-A-GLANCE

1 SEL • 10% OF CLASS AVERAGE

- ✓ ONE grade per unit, per pathway
- ✓ Based on a rubric — not evidence
- ✓ Additional grades may be added manually within the SEL grade.

2 CYCLE MINIMUM

- ✓ Grade at least 2 Brilow Learning Experiences per cycle.
 - ✓ Choose Brilow experiences, not teacher-created activities.
- K-2 & ESE exception: Nearpod or extension activities used outside Brilow are okay.

3 CYCLE RULES

PT CYCLES

No additional grading required. The PT grade serves as the cycle grade.

GO BEYOND

Grade more than 2 experiences or add manual entries to the average.
Optional — you do not need to go beyond the minimum.

EXCLUSIONS

Pre-assessments and mastery checks may be graded for personal records, but they are formative and blocked from the class average.

4 HOW AN EXPERIENCE ENTERS THE CLASS AVERAGE

Brilow does NOT include it automatically.

1. Mark the experience as Assigned.

2. Grade it for at least one student.

3. Brilow adds it to the average column for everyone.

5 REMEMBER: GROWTH GRADES

- ✓ Day-to-day Learning Experiences are the growth grades.
- ✓ Grade them all if you want!
- ✓ Minimum: 2 Brilow experiences per cycle.

**COUNT BY PATHWAY —
NOT BY SUBJECT AREA**

Humanities, not ELA + History separately

Manual entries may affect the average, but they do not replace the 2-Brilow-experience minimum.
