

# ESE Schedule Options

This document provides two different scheduling options for teachers to choose from based on the specific needs of their classes. We recognize that no two classes are the same and that our students have diverse learning needs. These flexible options are designed to support a variety of teaching styles and class structures while ensuring all ESE students receive the support they need to be successful.

# ESE Schedule

## Option 1

### Monday-Thursday

|             |                                                             |
|-------------|-------------------------------------------------------------|
| 10:00-10:30 | Morning/Class Meeting, Daily Agenda, SEL                    |
